-BACKGROUND-

Students of Binus International have problems on finding the lecturer

Student wants to have some further discussion with certain lecturer.

HOW TO SOLVE THESE PROBLEMS?
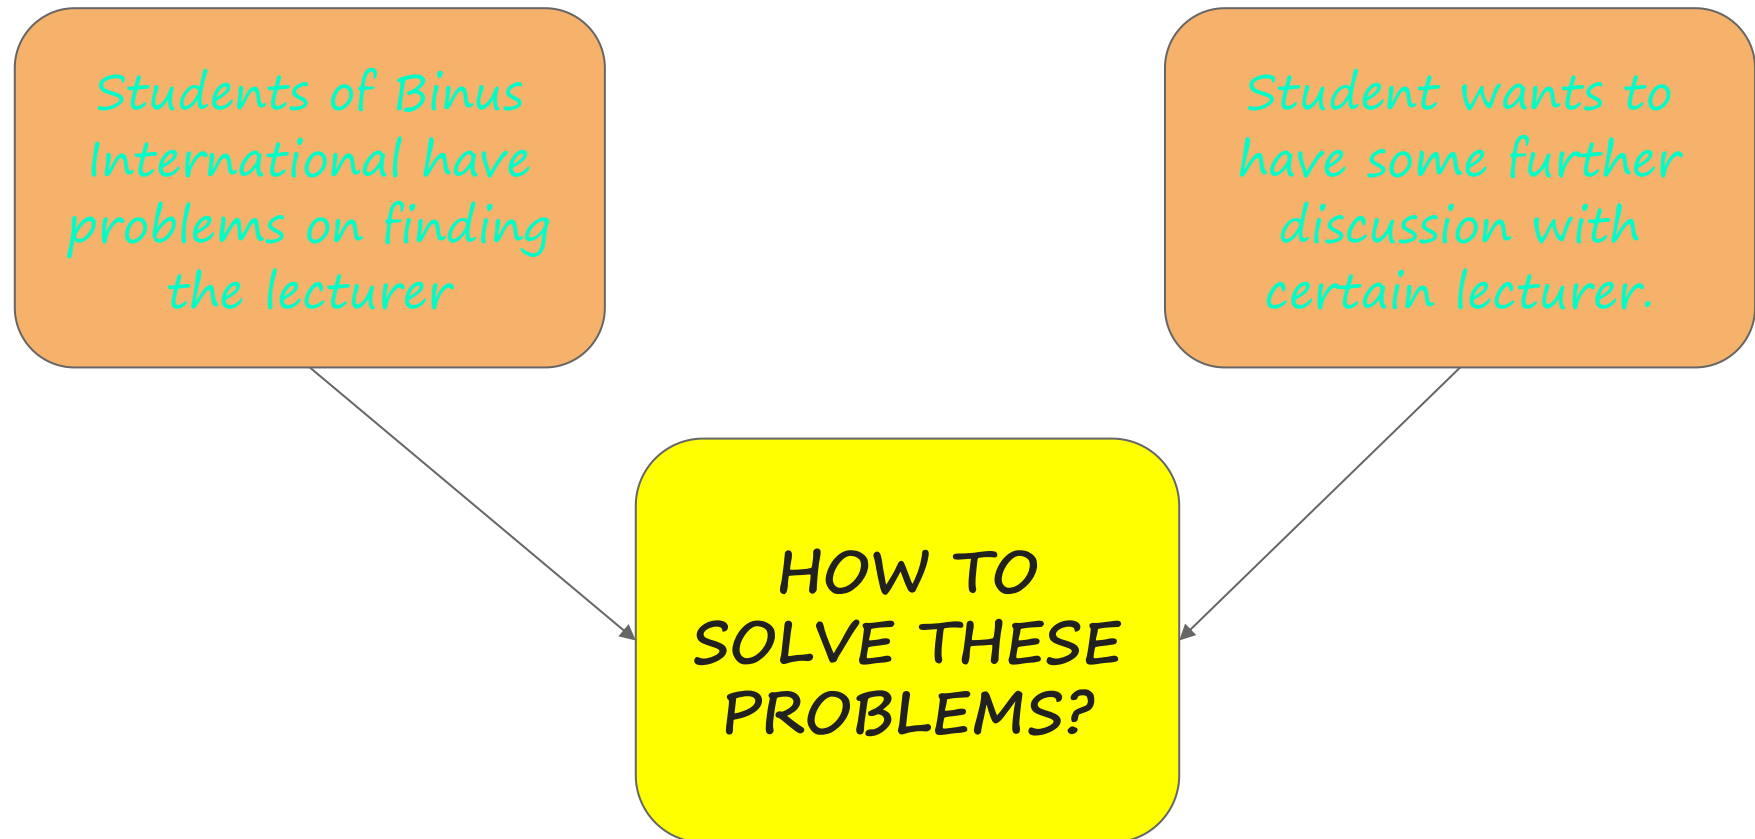

WHAT IS OUR APPLICATION ABOUT?

For students:

- Find the lecturer current location
- Book a meeting with lecturer
- Check current schedule

For lecturers:

- Get push notification of meeting reservation from students
- Update or cancel the class schedule
- Accept or decline meeting reservation

some additions...

- ★ The application tracks the location of the lecturers based on their schedule for the current date and time
- ★ There are some possibilities given by the apps if the lecturers have no class schedule at a certain time.
